Job introduction / message	There are two types: security at construction sites and security at road construction sites. The main work is security at the construction site, but the site can be selected after hearing your wishes. ◆ Impression of a security worker who is "standing work" ... Security at the construction site is different! The main business is to guide the car when it is carried out, and it is about 2 to 3 times a day. Other than that, it is possible to sit and wait at the station. It's not a standing job! You don't have to run, and you will be provided with air-conditioned work clothes, so you can feel comfortable and secure in the summer without straining your body.
