Job introduction / message	Cleaning of hotel rooms. We will clean and maintain the room used by the guest so that we can welcome the next guest. You will be asked to clean and maintain the guest rooms in the city hotel. Remove all leftovers, hair, and odors from the previous night, and clean and maintain them in an unused state. Basically, one person cleans one room, but if there is work that cannot be done, multiple people can handle it. Once you get used to it, it will take about 20 to 30 minutes per room. For cleaning the rooms for consecutive nights, simple cleaning and maintenance will be required. As the guest's personal belongings cannot be touched, please perform as much cleaning and maintenance as possible. Once you get used to it, it will take about 15 to 20 minutes per room. There is basically no customer service. Beds are as wide as 1 to 4 per room. Most of the rooms are 18 to 30 square meters in size. The bathroom is a unit bath, but it may not be used because there is a large public bath in the building.
